

Erratum

Following the publication of the article by Sabatino et al., entitled “Canalolabyrinthine Schwannoma, A Rare Variant of Intralabyrinthine Schwannoma: A Case Report” (J Int Adv Otol 2017; 13(1): 140-2) that was published in the April 2017 issue of The Journal of International Advanced Otology, the editorial office staff detected the presence of an error in the “Informed Consent” and “Author Contributions” sections that are available at the end of the manuscript. The error has since been corrected as provided below;

Informed Consent: Written informed consent was obtained from the patient for publication of this case report and accompanying images.

Peer-review: Externally peer-reviewed.

Author Contributions: Concept - L.S., F.G.; Design - L.S., F.G.; Supervision - F.S., C.C.Q., M.C.; Resources - F.G., L.S.; Materials - F.G.; Data Collection and/or Processing - F.G, L.S.; Analysis and/or Interpretation - F.G., C.C.Q.; Literature Search - L.S., F.G.; Writing Manuscript - L.S., F.G.; Critical Review - M.C., F.S., C.C.Q.; Other - M.C., F.S., C.C.Q.

Conflict of Interest: No conflict of interest was declared by the authors.

Financial Disclosure: The authors declared that this study has received no financial support.
